EXHIBITIONS

MAX ERNST

4 MAY - 8 OCTOBRE 2023

The monographic exhibition focuses on the world of the Surrealist painter Max Ernst (1891-1976), for whom art and nature coexisted in a magical way. It was through the four elements - air, water, earth, and fire - that he developed this vision of the world, which he translated in his works.

MUCHA

17 NOVEMBER 2023 - 24 MARCH 2024

Organised in partnership with the Fondation Mucha, the exhibition retraces the career of the Czech artist, one of the most famous representatives of Art Nouveau. Via around a hundred works reflecting all the artist's passions (painting, drawing, posters, jewellery, sculpture, and costumes), the exhibition will retrace the artist's career and stylistic development.
